

THE INDIAN VETERINARY JOURNAL

Vol. 94

November 2017

No.11

SUBJECT INDEX

Anatomy and Histology		Meat Science and Technology	
Enzyme Histochemistry of...	36	Effect of Supplementing the...	43
Histoenzymatic Studies on...	52	Effect of Using Prebiotics, Probiotics...	46
Effect of <i>In Ovo</i> Supplementation of...	59	Meat Quality Characteristics of...	77
Bacteriology and Microbiology		Nutrition	
Univariable Risk Factors Analysis of...	19	Effective Amelioration of Aflatoxicosis...	09
Identification of Bacterial Isolates...	24	Evaluation of Production Performance...	33
Occurrence of <i>Mycoplasma Synoviae</i> ...	26	Influence of Incorporation of...	38
Retrospective Study on the...	30	Production Performance of...	41
Biotechnology		Effect of Supplementing the...	43
Identification of Bacterial Isolates...	24	Parasitology	
Canines, Equines and Felines		Haemato-Biochemical Alterations in...	28
Studies on Haemato-Biochemical Profile...	12	Retrospective Study on the...	30
Haemato-Biochemical Alterations in...	28	Recurrent Tympany Due to...	88
Puppy Strangles in a...	63	Pathology	
Pathomorphology of Cutaneous...	65	Pathomorphology of Cutaneous...	65
Endoscopic Removal of Button...	73	Pathological Features of Swollen...	78
Pathology of Gastric Dilatation...	80	Pathology of Gastric Dilatation...	80
Clinico-Pathological Studies of...	82	Clinico-Pathological Studies of...	82
Surgical Management of...	85	Pharmacology and Toxicology	
Co-existence of Dermal Haemangioma...	93	Effective Amelioration of Aflatoxicosis...	09
Cattle and Buffaloes		Effective Treatment of Chronic...	15
Effective Amelioration of Aflatoxicosis...	09	Effect of Toxin Binders on Immune...	56
Effective Treatment of Chronic...	15	Piggery and Poultry Science	
Evaluation of Production Performance...	33	Environmental Enrichment of...	20
Enzyme Histochemistry of...	36	Occurrence of <i>Mycoplasma Synoviae</i> ...	26
Effect of PGF ₂ α Administered with or...	49	Influence of Incorporation of...	38
Amorphous <i>Globosus</i> Monster...	62	Production Performance of...	41
Surgical Management of Vulval...	67	Effect of Supplementing the...	43
Ultrasonographic Diagnosis of...	75	Effect of Using Prebiotics, Probiotics...	46
Pathological Features of Swollen...	78	Histoenzymatic Studies on...	52
Endoscopy Retrieval of...	87	Effect of Toxin Binders on Immune...	56
Recurrent Tympany Due to...	88	Meat Quality Characteristics of...	77
Endoscopic Evaluation and Successful...	90	Surgery	
Successful Management of...	92	Surgical Management of Vulval...	67
Goats and Sheep		Endoscopic Removal of Button...	73
Univariable Risk Factors Analysis of...	19	Surgical Management of...	85
Retrospective Study on the...	30	Endoscopic Evaluation and Successful...	90
Dystocia Due to Fetal...	69	Successful Management of...	92
Surgical Management of Uncommon...	71	Wildlife Science	
Laboratory Animal Science		Environmental Enrichment of...	20
Retrospective Study on the...	30
