

SUBJECT INDEX

Anatomy and Histology		Factors Influencing the Consumption...	56
Evaluating Endocervical Cytology...	77		
Bacteria and Microbiology		Nutrition	
Effect of Feeding Detoxified...	23	Effect of Incorporation of Raw Jatropha...	11
Expression, Purification and Immunological...	37	Effect of Feeding Detoxified Jatropha...	23
Epidemiology of Infectious Coryza...	50	Growth Performance of Mandya...	30
		Effect of Various Commercial Poly-Herbal...	40
Biotechnology		Feeding Practices of Pigs...	71
Expression, Purification and Immunological...	37	Pathology	
Effect of Fibrin-Gelatin and Fibrin-Gelatin...	53	Prevalence of Uterine Neoplasia...	19
		Haematobiochemical Changes of...	84
Canines, Equines and Felines		Pharmacology and Toxicology	
Effect of Fibrin-Gelatin and Fibrin-Gelatin...	53	Isoflurane Anaesthesia in Wolf Snake...	68
Surgical Management of Uterine...	61	Pharmacokinetics of Ceftriaxone...	81
Management of Renal Form...	65		
Management of Superficial Corneal...	86	Piggery and Poultry Science	
Cattle and Buffalo		Effect of Transportation on the...	17
Effect of Incorporation of Raw Jatropha...	11	Fenugreek Residue as Feed...	33
Prevalence of Uterine Neoplasia...	19	Incidence of Tibiotarsal Rotation...	44
Genetic Studies on Test Day Milk...	46	Epidemiology of Infectious Coryza...	50
Management of Teat Injuries...	59	Feeding Practices of Pigs...	71
Fracture of Tubercosae in a Buffalo...	67	Women Empowerment through...	75
Prostaglandin Induced Milk Flow Test...	73	Productive Performance of Crossbred...	79
Evaluating Endocervical Cytology...	77	Pharmacokinetics of Ceftriaxone...	81
Comparison of Ultrasonographic Testicular...	88	Haematobiochemical Changes of...	84
Economic Analysis of Improved...	90	Surgery, Treatment and Management	
Goats and Sheep		Effect of Fibrin-Gelatin and...	53
Study on Carcass Traits of...	14	Management of Teat Injuries...	59
Effect of Feeding Detoxified Jatropha...	23	Surgical Management of Uterine...	61
Growth Performance of Mandya...	30	Hyphaema in a Working Stallion...	64
Effect of Various Commercial Poly-Herbal...	40	Fracture of Tubercosae in a Buffalo...	67
		Management of Superficial Corneal...	86
Meat Science		Wildlife Sciences	
Study on Carcass Traits of...	14	Isoflurane Anaesthesia in Wolf Snake...	68
Histo- Micrograph and Structural...	27
