

THE INDIAN VETERINARY JOURNAL

Vol. 90

May 2013

No.5

SUBJECT INDEX ON KEYWORDS

Anaesthesiology

Ketamine and Diazepam combination 12

Anatomy and Histology

Pectoral limb of spotted deer 46

BAG-Propofol-isoflurane 30

Nasal cavity of goats 49

Animal Genetics and Breeding

Polymeric status of GDF9 22

Mating ratio in guinea fowls 42

Litter traits in crossbred pigs 133

Bacteria

Bovine Salmonellosis 9

Escherichia coli 56*Salmonella typhimurium* 56*Avibacterium paragallinarum* 67

Biotechnology

DNA extraction protocols 102

Buffaloes

Enzyme activity in placenta 14

Neonatal diarrhoea 61

Dose regimen of Cefepime 131

Canine

Thyroid dysfunction 27

Orthopaedic dysfunction 30

Atopic dermatitis 59

Ocular hypertension 65

Granulocytic Ehrlichiosis 84

Anal sac adenocarcinoma 86

Hepatoid adenocarcinoma 88

Ectopic pregnancy 90

Demodicosis 92

Pygomelia 98

Haemangiopericytoma 113

Snake envenomation 119

Dermatomycosis 129

Cattle

Bovine Salmonellosis 9

Schistosoma spindale 20

Bovine tuberculosis 34

Milk cooperatives 53

Gastro-intestinal worm infestation 63

Oxitetraacycline residues in milk 74

Uterine torsion 94

Surveillance on infectious diseases 100

Feed Block feeding 114

Induction of ovulation 135

Diagnostics

Counterimmunoelectrophoresis 20

Ultrasonographic diagnosis 27

Gamma Interferon Assay 34

Intra-dermal tuberculin test 34

Detection of *Toxoplasma gondii* antibodies 110

Economics and Extension

Performance of milk cooperatives 53

Epidemiology

Bovine Salmonellosis 9

Gastro-intestinal worm infestation 63

Surveillance on infectious diseases 100

Feeds and Fodder

Sugarcane tops 69

Sorghum hybrids 72

Feline

Toxoplasma gondii antibodies 110

Goats

Raigarh goats 22

Nasal cavity of goats 49

Histopathology of dystocic uteri 125

Gynaecology and Obstetrics

Ectopic pregnancy 90

Uterine torsion 94

Immunology*Haemonchus contortus* 17**Nutrition**

Vitamin E and Selenium 38
 Yeast supplementation 44
 Zinc supplementation 61
 Sugarcane tops 69
 Sorghum hybrids 72
 Dietary protein for Japanese quails 77
 Fermented rice waste 101
 Wild sunflower composition 106
 Deoiled Mahua seed cake 114
 NSP hydrolysing enzymes 116
 Feeding of microbials to poultry 121

Parasitology

Haemonchus contortus 17
Schistosoma spindale 20
 Demodicosis 92
 Parasitic infestation in wild animals 139

Pathology

Mortality pattern in broilers 25
 Atopic dermatitis 59
 Mastitis 38
 Embryonic mortality in Japanese quails 77
 Anal sac adenocarcinoma 86
 Hepatoid adenocarcinoma 88
 Haemangiopericytoma 113
 Snake envenomation 119
 Histopathology of dystocic uteri 125
 Endometrial adenocarcinoma 137

Pharmacology

Ketamine and Diazepam 12
 Moxifloxacin 40
 Enrofloxacin 61
 Ketoconazole and terbinafine 129
 Dose regimen of Cefepime 131

Pigs

Yeast supplementation 44
 Laparoscopic ovariectomy in pigs 123
 Litter size 133

Pollutants and Contaminants

Oxitetracycline residues in milk 74

Poultry

Mortality pattern in broilers 25
 Mating ratio in guinea fowls 42
Avibacterium paragallinarum 67
 Dietary protein for Japanese quails 77
 Traumatic proptosis 83
 Fermented rice waste feeding 101
 Oocysts of *Eimeria* 102
 NSP hydrolysing enzymes 116
 Feeding of microbials to poultry 121

Products and Processing

Yogurt from whey 112

Rabbits

Endometrial adenocarcinoma 137

Reproduction

Enzyme activity in placenta 14
 Serum mineral concentrations in Yaks and Mithuns 80
 Testosterone levels in captive deer 127
 Hormone levels during induction of ovulation 135

Sheep

Performance of Rambouillet sheep 36
 Moxifloxacin bio-availability 40
 Bulldog monster 96

Surgery

Orthopaedic dysfunction 30
 Ocular hypertension 65
 Traumatic proptosis 83
 Laparoscopic ovariectomy in pigs 123

Teratology and Monsters

Bulldog monster 96
 Pygometia 98

Veterinary Public Health

Water quality 56

Wildlife

Pectoral limb of spotted deer 4
 Breeding behaviour of captive deer 127
 Parasitic infestation 139

Yaks and Mithuns

Serum mineral concentrations 80
