

SUBJECT INDEX

Anatomy and Histology		Postparturient Total Uterine...	60
Ileal Peyer's Patches...	43	Prevalence of Gastrointestinal...	84
Buffalo Calf with Congenital...	51		
Monocephalus-Thoracopagus...	57	Laboratory Animal Science	
Perosomus Elumbis in...	59	Morphometrical Studies on...	64
Morphometrical Studies on...	64		
		Meat Science and Technology	
Bacteriology and Microbiology		Carcass Characteristics and Meat...	38
Seroprevalence of Orf in Goats...	29	Assessment of Microbial Quality...	80
Outbreak of Foot and Mouth...	31		
Development and Standardization...	41	Nutrition	
Comparative Evaluation of...	79	Effect of Various Protein...	22
Assessment of Microbial Quality...	80	Influence of Supplementation of...	48
Serogroups of <i>Escherichia coli</i> ...	82	Production Performance of...	74
		Effect of Different Levels of...	76
Canines, Equines and Felines			
M-Mode Echocardiographic...	11	Parasitology	
Efficacy of Different Drugs in the...	13	A Study on Occurrence of Hypodermosis...	33
Incidence and Glandular...	27	Prevalence of Gastrointestinal...	84
Surgical Management of...	54		
Therapeutic Management of...	56	Pathology	
Preferences of Dog Owners in...	71	Incidence and Glandular...	27
		Anaplastic Vaginal Fibrosarcoma...	46
Cattle and Buffalo			
Shelf Life Studies of Dahi...	16	Pharmacology and Toxicology	
Peak Yield and 305-Day Milk Yield...	18	Efficacy of Different Drugs in the...	13
Effect of Various Protein...	22		
Assessment of Oxidative Stress...	24	Piggery and Poultry Science	
A Study on Occurrence of Hypodermosis...	33	Carcass Characteristics and Meat...	38
Ileal Peyer's Patches...	43	Development and Standardization...	41
Anaplastic Vaginal Fibrosarcoma...	46	Influence of Supplementation of...	48
Buffalo Calf with Congenital...	51	Production Performance of...	74
Monocephalus-Thoracopagus...	57	Effect of Different Levels of...	76
Perosomus Elumbis in...	59	Comparative Evaluation of...	79
Effect of Microclimate on...	62	Serogroups of <i>Escherichia coli</i> ...	82
Effect of Purified Seminal Plasma...	69		
		Surgery	
Dairy Technology		M-Mode Echocardiographic...	11
Shelf Life Studies of Dahi...	16	Buffalo Calf with Congenital...	51
Peak Yield and 305-Day Milk Yield...	18	Unusual Case of Scald...	52
		Surgical Management of...	54
Goats and Sheep		Surgical Management of Entrapped...	67
Seroprevalence of Orf in Goats...	29		
Outbreak of Foot and Mouth...	31	Wildlife Science	
Phenotypic Characterization of...	36	Surgical Management of Entrapped...	67
Unusual Case of Scald...	52
