

## SUBJECT INDEX

### Bacteriology and Microbiology

Isolation and Biochemical Characterization...	37
Antibiogram and Biofilm...	48

### Canines, Equines and Felines

Isolation and Biochemical Characterization...	37
Incidence of Transmissible...	72

### Cattle and Buffalo

Constraint Analysis of...	14
Effect of Dietary Supplementation of...	34
Selection of Murrah Buffalo Bulls...	40
Enzyme Histochemistry of Mandibular...	43
Effect of Modified Housing on...	46
A Retrospective Analysis of...	50
Surgical Excision of Bilateral...	58
Corrective Surgery for Hypoplastic...	62
Surgical Management of Congenital...	64
Unilateral Rupture of Prepubic...	66
Expected Genetic Gain in Selection...	75
Evaluation of Murrah Bulls...	77
Trends in Productive and Reproduction...	79
Ultrasonographic Assessment of...	81
Obstetrical Management of...	85

### Goats and Sheep

Influence of Antioxidant Supplementation...	27
Major Gross Female Genital...	32
A Rare Case of Hydrallantois...	53
A Case of Uterine Torsion in...	55
Amputation of Hind Leg in a...	59
Reproductive Performance of...	68

### Meat Science and Technology

Antibiogram and Biofilm...	48
Meat Quality Characteristics of...	69

### Nutrition

Effect of Feeding Different Levels...	20
Influence of Antioxidant Supplementation...	27
Effect of Dietary Supplementation of...	34
Effect of Modified Housing on...	46

### Parasitology

Efficacy of Cypermethrin to...	22
<i>In vitro</i> Insecticidal Activity of Essential Oil...	25

### Pathology

Surgical Management of Cutaneous...	56
Incidence of Transmissible...	72
Endocrine Dermatoses of Testicular...	83

### Pharmacology and Toxicology

Efficacy of Cypermethrin to...	22
Pharmacological Evaluation of Ginger...	73

### Piggery and Poultry Science

Study on Reproductive Traits of...	11
Effectiveness of Windrow Composting...	16
Effect of Feeding Different Levels...	20
Performances of Vanaraja and...	30
Antibiogram and Biofilm...	48
Meat Quality Characteristics of...	69

### Surgery

Surgical Management of Cutaneous...	56
Surgical Excision of Bilateral...	58
Corrective Surgery for Hypoplastic...	62
Surgical Management of Congenital...	64
Unilateral Rupture of Prepubic...	66
Ultrasonographic Assessment of...	81
Obstetrical Management of...	85
